

Candlewood Gathering Procedures

As we seek to get back together as a church, the Reeds have established the following for your (and their) protection....

1. Before arrival, the Reeds' house and related surfaces will be wiped down.
2. Upon arrival a "touch-less" thermometer will be used to check for fever. (If one is detected you will not be permitted to enter).
3. Sanitize hands upon entering the Reeds' home.
4. Wear a mask inside their house, unless you need to speak/lead upfront. (If you do not have a mask, one will be provided).
5. There will be paper towels available in the bathroom downstairs. There will also be spray and/or wipes available to wipe down surfaces you have touched.
6. When our Gathering time is finished, we will need several people to help wipe down surfaces.

*In addition to this simple protocol, we will be following the guidelines for church gatherings...

- maintain the 6 ft. rule
- avoid hugging, kissing, handholding, touching, etc.
- avoid sharing food and drinks
- wear your mask

*Note...there will also be some further guidelines for worship singing, which we will talk about when we are together.

Following these simple steps could make all the difference in someone's life; let's protect our church body!
