

Candlewood Gathering Procedures

Now that we are back together as a church, the Reeds have established the following for your (and their) protection. Please keep in mind that, while we are gathering as a local congregation of Christ's church, we are gathering in someone's home and are their guests.

1. Before arrival, the Reeds' house and related surfaces will be wiped down.
3. Sanitize hands upon entering the Reeds' home.
4. Masks are not required, but if you are not feeling well, please be mindful of the welfare of others and come back when you feel better unless you have tested negative for COVID.
5. There will be paper towels available in the bathroom downstairs. There will also be spray and/or wipes available to wipe down surfaces you have touched.
6. When our Gathering time is finished, we will need several people to help wipe down surfaces.

Following these simple steps could make all the difference in someone's life; let's protect our church body!
