

Three Lessons About Trust

2 Chronicles 16:9a

We can know some truths a long time before we finally “know them in our knower.”

What I _____ is as important as what I _____.

1. Genesis 1:26 ... We are made in the _____.
2. Colossians 1:16-17 ... God was and is a _____. Also, Hebrews 1:1-3a
3. Genesis 2:15 ... Adam was the first _____.
4. Ephesians 6:5-8 ... God is interested in _____.

Be sure of His _____ and _____.

1. Acts 16:6-10 ... Paul went to Macedonia because of the _____, not the _____.
2. Acts 16:11-14 ... Obedience may not bring _____ or _____ success.

God doesn't call the _____; He _____ the called.

1. Matthew 4:18-19 ... Jesus recruited fishers of _____.
2. Acts 3:40-41 ... Jesus turned Peter into a _____ of _____.
3. Acts 4:13 ... It's Jesus who _____ the _____.

Conclusion:

1. Any job is important if you're being obedient.
2. Be sure of His leading and follow it. You'll be amazed.
3. God doesn't call the equipped, He equips the called.

Challenge – All three lessons depend on trust.
